RE: OU 2 Preliminary
Design RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the preliminary design package for the Operable Unit (OU) 2 waste units.

The RTC has adequately addressed U.S. EPA's previous comments. U.S. EPA is looking forward to reviewing subsequent design packages.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
